1. Students must complete the student driving and parking permit application, which must be signed by the student and their parents. Upon receipt of the application, the student will receive a parking permit. **The permit must be placed on the driver's side dash and be visible from outside the vehicle.**
2. Students may not drive to athletic events or field trips without the permission of their parents **and** the athletic director or field trip coordinator.
3. Students are not permitted to leave the school grounds for lunch during the regularly scheduled school day.

6. The parking lot on the lower gym level will be assigned to seniors only. Juniors and sophomores will park in the lower parking lot.
7. Parking in the main parking lot is prohibited, unless instructed to do so due to parking lot conditions. Violations of this policy could result in the loss of parking privilege.
8. Students are required to observe the 5mph speed limit in the parking lot, the 15mph school zone limit and must operate their vehicles in a safe and courteous manner. Unsafe driving practices will lead to a loss of driving privileges.
